Reference: April Quarterly Report (2/29/96 - 3/31/96)
FEC Identification Number C00257121

This letter is in response to the questions raised upon the review of the April Quarterly Report (2/29/96 - 3/31/96) submitted for Citizens for Rush. Your concerns regarding the total on line 10, the lack of addresses for disbursements and aggregate totals will be corrected an amended report for this period. In the hast of preparing this report by the April 15th deadline, this information omitted by error.

I have reviewed the committee's procedures for the 48 hour notification of contributions in excess \$1,000 and have determined that there is definitely a need for revisions. During the 48 hour reporting period I will personally review all checks and contributions received by the committee and prepare and fax the appropriate forms to the Commission prior to the bank deposit. This review will ensure that proper notification is made to the Federal Election Commission within the 48 hour period.

If you have any questions or require any additional information or documentation regarding this matter please feel free to contact me at (312)225-3444.

Respectfully,

Sheila L. Jackson
Treasurer, Citizens for Rush
